

CV, Carl Öhman

Merton College, Merton Street, OX1 4JD Oxford, UK | +46 706457128 | carl.ohman@oii.ox.ac.uk

EDUCATION

University of Oxford, Oxford Internet Institute <i>DPhil in Information, Communication and the Social Sciences</i>	Oxford, United Kingdom 2017 – Ongoing
University of Oxford, Oxford Internet Institute <i>Master of Science in Social Science of the Internet (Distinction)</i>	Oxford, United Kingdom 2015 – 2016
Uppsala University, Department of Sociology <i>Double Major B.A. Degree in Sociology and Comparative Literature (Distinction)</i>	Uppsala, Sweden 2013 – 2015

EMPLOYMENT AND EXPERIENCES (IN SELECTION)

University of Oxford, Oxford Internet Institute <i>Teaching Assistant, Digital Social Research – Methods Core</i>	Oxford, United Kingdom 2018
---	---------------------------------------

- As teaching assistant I prepared seminars and workshops with the Master students of the Oxford Internet Institute. The position also involved designing, marking and giving written feedback to student assignments.

William's College <i>Tutor, Big Data & Society – Undergraduate Module</i>	Oxford, United Kingdom 2018
---	---------------------------------------

- In this position I outlined a reading list and taught in Oxford's famous tutorial system.

The Citizens' Education Association <i>Coordinator</i>	Uppsala, Sweden 2016 – 2017
--	---------------------------------------

- The Citizen's Education Association (Medborgarskolan) is a Swedish NGO providing civic education within a broad variety of subjects. The organisation employs around 900 employees and has a revenue of roughly 1bn SEK.
- This position involved a variety of responsibilities, including assisting the secretary general in summoning, preparing and leading board meetings, organising conferences, external representation and political lobbying.

The Swedish Federation of Student Unions <i>Organisation developer</i>	Stockholm, Sweden 2011 – 2013
--	---

- The Swedish Federation of Student Unions (Sveriges Elevkårer) provides consultation and education in project management, political lobbying, and advertisement. The organisation has around 100 000 members.
- This position involved frequent public speaking and lecturing. As part of a specially selected task force, I also developed the organisation's new student committee education program, annually used by approximately 300 committees.
